@BOWDENBREWING

BOWDENBREWING.COM

# WELCOME!

Bowden Brewing is 'the local'. Serving the people of Bowden and beyond quality beers with quality smiles. The only thing we take seriously is good beer (and correct use of PPE). Our drinks menu is focused on highlighting the best of Australia, with an emphasis on locally made products.

## BEER

Take a look at the board, or better yet ask our friendly team to guide you in the right direction. They're all pretty tasty...

## MASA

Masa is our in-house Mexican restaurant. You'll find food inspired by the rich street food culture of Mexico cooked with techniques and ingredients from the many cultures that make up Australia's multi-cultural food scene. Just like the beers themselves, the ethos of the kitchen is to keep things simple while using the freshest ingredients possible sourced from local producers.

the *Journal of Applied Behavior Analysis* (1974), and the *Journal of Experimental Psychology: Applied* (1975).

There are a number of reasons why the *Journal of Applied Behavior Analysis* is the most widely cited journal in the field of behavior analysis.

First, the journal has a long history of publishing high-quality research in the field of behavior analysis.

Second, the journal has a wide range of topics, including basic research, applied research, and clinical research.

Third, the journal has a high impact factor, which is a measure of the journal's influence in the field.

Finally, the journal has a high level of readability, which makes it accessible to a wide range of researchers and practitioners.

Overall, the *Journal of Applied Behavior Analysis* is a leading journal in the field of behavior analysis, and its high citation rate is a reflection of its quality and influence.
