WELCOME!

Bowden Brewing is 'the local'. Serving the people of Bowden and beyond quality beers with quality smiles. The only thing we take seriously is good beer (and correct use of PPE). Our drinks menu is focused on highlighting the best of Australia, with an emphasis on locally made products.

BEER

Take a look at the board, or better yet ask our friendly team to guide you in the right direction. They're all pretty tasty...

MASA

Masa is our in-house Mexican restaurant. You'll find food inspired by the rich street food culture of Mexico cooked with techniques and ingredients from the many cultures that make up Australia's multi-cultural food scene. Just like the beers themselves, the ethos of the kitchen is to keep things simple while using the freshest ingredients possible sourced from local producers.
